

Hi there,

We are excited that you wish to join our club but before you do so, we need you to please take note of the following:

- 1: Send us a clear face picture of yourself and your partner, **without sunglasses**. We need to see your face so that we know who we are dealing with.
- 2: Which area do you live in?
3. Tell us a little about yourself.
4. How did you hear about Pharaohs?
5. Names and cell number please. We need a cell number to reply to you.
6. You will be required to sign the indemnity form every time you visit.
7. We **do have designated smoking areas**. No smoking outside designated areas.
8. Good behaviour means respect others, no foul language and **never** get drunk!

Being a member on the website does not make you a member of the club.

We will get back to you as soon as we receive your picture. No picture no entry.

Note: If you apply as a couple you will arrive as a couple. This will be kept very confidential. We would like you to sign up on the website to show that you are really interested; the website will also allow you to read about all you want to know and see the quality of people that visit us. If you decide to introduce your friends they will have to go through the same procedure.

Joining fee R890 per year per couple on the website www.pharaohs.co.za and being member on our site gives you the discount price for parties. Once off visitors will pay full price and International visitors will pay International price.

The club is a totally safe environment to explore. We have strict rules and you will be under no pressure to do anything that you are not ready for. No means no at all times. If you just want to spend the evening watching it is also fine, because many people come here to tantalize their sex drive. Being in a sexual environment is a big turn on. I created a safe place for ladies, to be who they want to be, for an evening or get in touch with their own sexuality. Coming to Pharaohs does not mean you have to have sex, you can come here simply to have a drink and socialise with open minded people. Never be pushy, or try and force your partner to do anything they are not ready for.

You will find that Pharaohs members are loyal and discreet. You can experience the amazing world of sharing a fantasy if you understand the respect people have for each other.

Dress code: SMART CASUAL or dress for the theme. We definitely do not allow sloppy clothing and bad language. If you do not like our rules then this is not your club! Pharaohs is a different "Niche" and caters for most fantasies. We cater for people that have respect for the lifestyle and themselves.

On a Friday evening we have couples and singles, where single men will be allowed on the condition that they know and respect the rules. This is not a pick up joint for single men! The regular singles have all been verified and screened.

Saturdays are for Couples and single ladies.

We do not allow every single man that applies.

No illegal substances allowed in this club.

What happens at Pharaohs stays at Pharaohs - We abide by members' demands.

Reason for an armband and why you should wear one

Members will not waste their time chit - chatting if you do not want to get involved. This gives us a better understanding and no confusion. It gives a person an idea of what you want.

PINK We are newbies and we do not want to be approached. We just want to chill and relax by ourselves.

Blue Band: MMF -This is an invite for a man to approach me. My partner and I will not be offended when a man approaches me. We agreed and are happy with this rule.
